5. Other terms used in this Notice shall have the meanings given to them in the PDPA (where the context so permits).

Collection, Use and Disclosure of Personal Data

6. We generally do not collect personal data unless (a) it is provided to us voluntarily by you directly or via a third party who has been duly authorised by you to disclose your personal data to us (your “authorised representative”, which may include your job placement agent), after (i) you (or your authorised representative) have been notified of the purposes for which the data is collected, and (ii) you (or your authorised representative) have provided written consent to the collection and usage of your personal data for those purposes, or (b) collection and use of personal data without consent is permitted or required by the PDPA or other laws.  - g. processing payment or credit transactions; and
 - h. facilitating our compliance with any laws, customs and regulations which may be applicable to us or to assist in law enforcement and investigations conducted by any governmental and/or regulatory authority.
8. We may disclose your personal data:

- a. With your consent, where such disclosure is required for performing obligations in the course of or in connection with our provision of the goods and services requested by you;
 - b. to comply with any applicable laws, regulations, codes of practice, guidelines or rules (e.g. in an emergency or when we receive a subpoena to disclose your personal data); or
 - c. With your consent, to third party service providers, agents and other organisations we have engaged to perform any of the functions with reference to the above-mentioned purposes. Any third parties engaged by us will be contractually bound to keep all personal data confidential.
9. If you choose not to provide us with your personal data for the purposes listed in paragraphs 7 and 8, you may submit a request in writing to our Data Protection Officer at the contact details provided below or indicate in the personal data collection form submitted to us (if any). 10. The purposes listed in Paragraph 7 may continue to apply even in situations where your relationship with us (for example, pursuant to a contract) has been terminated or altered in any way, for a reasonable period thereafter (including, where applicable, a period to enable us to enforce our rights under any contract with you).

Withdrawing Consent

11. The consent that you provide for the collection, use and disclosure of your personal data will remain valid until such time it is being withdrawn by you in writing. You may withdraw consent and request us to stop collecting, using and/or disclosing your personal data for any or all of the purposes listed above by submitting your request in writing to our Data Protection Officer at the contact details provided below.
12. Upon receipt of your written request to withdraw your consent, we may require reasonable time (depending on the complexity of the request and its impact on our relationship with you) for your request to be processed and for us to notify you of the consequences of us acceding to the same, including any legal consequences which may affect your rights and liabilities to us. In general, we shall seek to process and effect your request within thirty (30) days of receiving it.
13. Whilst we respect your decision to withdraw your consent, please note that depending on the nature and extent of your request, we may not be in a position to continue providing our goods or

services to you or process your job application. We shall, in such circumstances, notify you before completing the processing of your request (as outlined above). Should you decide to cancel your withdrawal of consent, please inform us in writing in the manner described above.

14. Please note that withdrawing consent does not affect our right to continue to collect, use and disclose personal data where such collection, use and disclose without consent is permitted or required under applicable laws.

Access to and Correction of Personal Data

15. If you wish to make (a) an access request for access to a copy of the personal data which we hold about you or information about the ways in which we use or disclose your personal data, or (b) a correction request to correct or update any of your personal data which we hold, you may submit your request in writing to our Data Protection Officer at the contact details provided below.
16. Please note that a reasonable fee may be charged for an access request. If so, we will inform you of the fee before processing your request.
17. We will respond to your request as soon as reasonably possible. In general, our response will be within thirty (30) days. Should we not be able to respond to your access request within thirty (30) days after receiving your access request, we will inform you in writing within thirty (30) days of the time by which we will be able to respond to your request. If we are unable to provide you with any personal data or to make a correction requested by you, we shall generally inform you of the reasons why we are unable to do so (except where we are not required to do so under the PDPA).
18. Please note that depending on the request that is being made, we will only need to provide you with access to the personal data contained in the documents requested, and not to the entire documents themselves. In those cases, it may be appropriate for us to simply provide you with confirmation of the personal data that our organisation has on record, if the record of your personal data forms a negligible part of the document.
19. If your request relates to personal data which we are processing on behalf of another organisation, we will instead forward your request to the relevant organisation for their necessary action.

Protection of Personal Data

20. To safeguard your personal data from unauthorised access, collection, use, disclosure, copying, modification, disposal or similar risks, we have introduced appropriate administrative, physical and technical measures such as such as up-to-date antivirus protection, encryption, etc to secure

storage and transmission of personal data by us and disclosing personal data both internally and to our authorised third-party service providers and agents only on a need-to-know basis.

21. You should be aware, however, that no method of transmission over the Internet or method of electronic storage is completely secure. While security cannot be guaranteed, we strive to protect the security of your information and are constantly reviewing and enhancing our information security measures.

Accuracy of Personal Data

22. We generally rely on personal data provided by you (or your authorised representative). To ensure that your personal data is current, complete and accurate, please update us if there are changes to your personal data by informing our Data Protection Officer in writing via the contact details provided below.

We will cease to retain your personal data or remove the means by which the data can be associated with you, as soon as it is reasonable to assume that such retention no longer serves the purposes for which the personal data were collected, and are no longer necessary for legal or business purposes.

Transfers of Personal Data Outside of Singapore

25. We generally do not transfer your personal data to countries outside of Singapore. However, if we do so, we will obtain your consent for the transfer to be made and will take steps to ensure that your personal data continues to receive a standard of protection that is at least comparable to that provided under the PDPA.
